Saturday, January 31, 2009

9:00 a.m. – 12:00 p.m.

ATIA 2009 Conference Exhibit Hall

Take advantage of this premier opportunity to explore the most recent assistive technology (AT) innovations first-hand and learn how they can help you as a professional, teacher, user or parent. ATIA invites everyone to learn more about AT from more than 125 leading industry vendors.

Attendee Name:

At one of the most comprehensive exhibitions in the industry, you will find the latest technologies in areas such as:

- Blindness and low vision
- Augmentative and alternative communication
- Deafness and hard of hearing
- Learning disabilities
- Mobility
- Computer accessibility
- Tools for independent living and the workplace
- And many other segments of the AT industry!

Please Note: This Exhibit Hall Pass does not include admission to any conference educational sessions or meals/refreshment breaks. A separate registration is required. To attend education sessions and benefit from the entire ATIA 2009 Orlando conference, please visit www.atia.org to register or register onsite at the conference.
